Letter to Students and Parents

This handbook was developed by elementary principals to answer questions concerning general policies and practices followed in the elementary schools. For more precise statements of formal School Committee policies, consult the website www.schoolsofwestfield.org. Frequent contact and communication between parents and school personnel are essential to your child’s success in school.

School Sessions 2018-2019
All Elementary Schools Kindergarten through Grade 4: 9:15 am – 3:15 pm.

Recess Time: 15 minutes per grade level at varied times
Children should not arrive on school grounds more than 15 minutes prior to school opening.

Inclement Weather: School Closing, Delayed Openings, Early Release
By law, the school system is required to open a minimum of 180 days per school year which under the Education Reform Law must include 900 hours for elementary school students.

There will be days when the Westfield Public Schools will be closed or have a delayed opening due to inclement weather, hazardous traveling conditions and/or other emergencies. We have a telephone notification system that will place calls to parents notifying them of closings, delays, or an early release. In addition, closings will be broadcast: WHYN, WAQY (FM-102), WRNX (FM-100.9), KIX (FM-97.9), Channel 40, Channel 22, CBS 3, local Channel 15 or you may call the School Information Line 572-6417.
During periods of potential and actual storms, the school administration is in contact with all relevant public safety and municipal agencies. The decision to close or not close school is made as early as possible to cancel all school transportation and lunch programs and to notify the media, traffic, and school personnel. On occasion, it may be wiser to have a 2-hour delayed opening of school instead of closing for the full day. There may also be weather conditions that would necessitate the closing of school during normal school hours. Every child should know what to do and where to go in case of an early dismissal. If there is school during bad weather, the final decision concerning school attendance must rest with the individual parent.

**Attendance/Tardiness**
Students are expected to adhere to the attendance policy of the Westfield School Committee. Below are set forth specific procedures applicable to the Elementary Schools.

Morning Procedures: At the elementary schools, school starts at 9:15 am. Students are allowed to enter the building at 9:00 am. Once students have arrived on school grounds they may not leave. The only exception is under special circumstances, when a principal may allow a student to leave the school grounds during the day.

Tardiness to school/homeroom: Students are expected to arrive to school and classes on time. Time missed from class constitutes absenteeism, whether in part or in whole. Students who demonstrate a pattern of unexcused tardiness may be subject to disciplinary measures. Students must be in their classroom at 9:15 am - otherwise they are tardy. If a student reports to school after 9:15 am, the parent must report to the office and sign the late sheet. Parents of students who are chronically tardy will be contacted informing them of the consequences of their child’s further tardiness.

**Absent/Tardy Call-In Procedures**
When a child is absent/tardy from school, the parent must call the school to report the absence or tardy. Notes should also be sent to the classroom teacher reading absences/tardiness.

**Dismissal**
Students should not be dismissed from school for any reasons except in an emergency. The following rules are observed in our schools, and your cooperation is requested.
1. No teacher will dismiss a student without the principal’s authorization.
2. If the parent does not appear in person, a note must be presented to the principal or the principal must be personally acquainted with the situation.
3. No student will be excused into the custody of any person not properly identified.
4. For students that are walkers or parent pick-ups: students will be dismissed at the close of the school day and parents will assume responsibility at the time.

**Scheduling Appointments During the School Day/Early Dismissal Procedures**
Parents are encouraged to schedule medical and other types of appointments after school hours. Early dismissal of children results in interruptions of classes and loss of learning time. However, in cases where a student needs to be dismissed early please observe the following:
  1. Provide a written request to the teacher including the date, time and the reason for dismissal.
2. A parent/guardian, or other authorized person, must report to the office to dismiss a student. Parents should not go directly to the classroom but report to the office where a staff member will contact the classroom.

3. If a student is waiting in the office to be dismissed, he/she will not be permitted to leave the school until he/she is officially signed out.

Photos and Videotaping
On occasion, the activities and/or accomplishments of students may be photographed or videotaped for the purpose of educating parents, professionals, students and community members regarding the implementation and maintenance of quality education for all students and not for any financial gain. At the beginning of the year, please complete the Release of Student Images form.

Student Dress
Students are expected to dress in accordance with the Student Dress policy of the Westfield School Committee.

Bullying Prevention and Intervention
Bullying is prohibited under Massachusetts Law. For detailed information, please see the district Bullying Prevention and Intervention Plan.

Use of Electronic Devices at School
Because of interruption to classroom learning, the use of cell phones, MP3 players, iPods, personal iPads, personal tablets, and other non-Westfield Public School electronic devices will not be permitted in school. Electronic devices may be used outside of the building before school and after school. Devices must be kept in backpacks or lockers during the school day. If a student is found with any electronic device that is turned on (whether it be text messaging, ringing and/or buzzing) it will be taken to the office. The first time this occurs, a student may pick up the device at the end of the day. After that, parents will need to retrieve the device from the office.

School Council
The Education Reform Act of 1993 requires that each school establish a School Council to promote and share decision making with the school community. The council is comprised of the principal, parents, teachers, and community members. The members assist the principal in the identification of educational needs of the students attending the school, in the review of the budget and the formulation of the school improvement plan. The make-up of the council encourages diverse perspectives in the formulation of the consensus plan.

Visitors
The School policy is to accept those visitors who have legitimate business at the school. Visitors and guests will need to provide appropriate picture identification such as a driver’s license, state I.D., or Military I.D. and must register in the school office immediately upon entering the building. All visitors and guests must display at all times the appropriate identification badge assigned by the school office. Upon completion of their business all visitors and guests must sign out in the school office, return their badge and promptly leave the building.
**Bus Transportation**
Elementary students (K-4) receive bus transportation when their residence is 1.5 miles or more from their designated school. If in doubt, you may call the Transportation Office at 572-6599.

**Bicycles and Scooters**
Bicycles and scooters ridden to school must be parked in the designated area. Helmets must be worn in accordance with the state regulations for bicycle safety. It is the rider’s responsibility to secure the bicycle. They should not be left overnight or used during the school day. Parents must assume liability with regard to the use, loss, or damage to bicycle brought to school.

**Home-School Communication**
Schools communicate with parents on a regular basis about school rules, student programs, homework assignments, school activities, and parent information meetings. A number of communication channels have been created to keep parents informed. These include, but not limited to: School Messenger messaging system, parent-teacher conferences, newsletters, and report cards.

**Distribution of Personal Party Invitations**
Party invitations cannot be distributed by way of the classroom teacher, unless all children receive an invite.

**Websites**
- Westfield Public Schools [www.schoolofwestfield.org](http://www.schoolofwestfield.org)
- City of Westfield [www.cityofwestfield.org](http://www.cityofwestfield.org)

**Family Involvement**
Families play an important role in their children’s success in school. Effective schools are a result of families and educators working together. We strive to promote a strong parent-school partnership by providing parents with information about school programs and activities and encouraging family participation at their child’s education both at home and at school. Parents are invited and encouraged to volunteer in the school, serve on committees, to complete surveys, to attend field trips, to attend school events, and to participate in the homework process.

**CORI (Criminal Offender Record Information)**
Any adults, including parents, guardians, or family members MUST have an approved CORI before volunteering at school (field trips, field day, etc.). Volunteers may also be required to submit to fingerprint based background checks. The CORI application form can be obtained from the school office or the Volunteer in Public Schools office and should be completed approximately 4 weeks before an event. CORI forms need to be updated every three years.

**Report Cards/Progress Reports**
The Westfield Public Schools issues elementary report cards three times each year. These trimester reports, in conjunction with parent teacher conferences throughout the year, are the method for reporting your child’s progress to you. The reports are curriculum based, and as such, are constructed to be directly related to particular grade levels. Teachers are always willing to confer with parents when needed regarding a child’s progress in school. We urge you to maintain frequent contact with your child’s teacher.
Student progress is reported through the use of standards-based report cards, that specify which standards and indicators have been targeted as essential and when they will be taught and assessed. Teachers from each grade level have identified key grade-level skills that students need to know and be able to do by the end of the school year. The skills are aligned with the Common Core Standards that may be found at: http://www.doe.mass.edu/candi/commoncore/

### Parental Complaints/Protocol/Standards

In cases where parents wish to express a complaint about an issue or about a staff member, they shall first discuss the matter with the staff member concerned. If they are not satisfied and sufficient time has elapsed for changes to be made, they will further discuss the matter with the building principal. If finally, the principal has been unable to satisfy the parent, the case should be reported to the Superintendent’s office.

### Entrance Requirements

The following must be met to enroll a student:

1. All kindergarten students must be five (5) years of age on or before September 1\textsuperscript{st} to enter kindergarten. No exceptions.
2. A birth certificate must be presented. This will be returned to the parent/guardian.
3. State law mandates a pre-kindergarten screening be conducted for each student entering kindergarten.
4. Online registration forms must be completed and submitted.
5. A physical, dated within the last 13 months, must be submitted within the first 30 days (including weekends) of school. Medical exemptions must be in writing from a physician. Religious exemptions must be submitted, by parent, on a yearly basis.
6. In order to comply with state law, your child must be immunized against Diphtheria-Tetanus-Pertussis (DTP/DTaP), Measles, Mumps, Rubella, Polio, Hepatitis B, and Varicella (Chicken Pox) before entering school, unless exempted for medical reasons with a doctor’s note or religious reasons. Proof of lead screening must be submitted and there is no exemption for this.
7. Parents of transfer students must complete a release of records form (except as otherwise provided by law).

### Grade/Classroom Placement

In general, students transferring into the system will be placed in the same grade level as in the school from which they transferred. Grade and classroom placement is made at the discretion of the principal. Retention may be considered when:

1. The child is achieving significantly below ability and grade level.
2. Retention would not cause an undue social and emotional adjustment.
3. Retention would have reasonable chance of benefiting the child.
Abuse/Neglect Reporting
School staff are mandated reporters and are required by law to file a report (51-A) with the Department of Children and Family Services of any suspected case of child abuse and/or neglect. Refer to WPS Policy File: JLF-R Reporting Child Abuse Procedures.

Building Utilization
A floor plan of each building is available upon request at the individual school offices.

Care of School Property by Students
It is the responsibility of students to ensure that books and materials belonging to the Westfield Public Schools are returned in acceptable condition. Students responsible for lost, damaged, or defaced property must pay for the property.

Bus Transportation
The Westfield Public Schools provides free bus transportation for all eligible students in accordance with applicable laws. The authority of the school begins and ends at the bus stops, both in the morning and in the afternoon. As such, all school rules apply to student activity during these times. Students who violate school rules may have their privilege to ride the school bus revoked in addition to any standard disciplinary action. If a student is suspended from riding the bus, it becomes the responsibility of the student and his/her parents to provide transportation to and from school. Additional rules that apply specifically to riding the school bus are:

1. Abusive language is prohibited on school buses.
2. No smoking will be permitted on a school bus.
3. Horseplay of any kind will not be allowed on the bus regardless of whether the bus is standing or moving. This means that all students will:
   a. not kneel on bus seats and talk to persons on seats behind them;
   b. not tamper with the bus and its equipment, especially the windows.
   c. not put arms, legs, head or any part of their body out of the window;
   d. not move around or change seats in the bus once it is in motion.
4. No throwing of objects, regardless of whether the bus is standing still or moving.
5. No rough or disorderly physical misbehavior will be permitted on the bus.
6. Chewing gum, eating food or drinking beverages is not allowed on the bus.
7. No items may be carried on the bus except materials that will be held by the student or placed on the floor under the seat directly in front of the student.
8. The emergency doors of school buses are for emergency use only.
9. Students, when getting on and off the bus, shall cross in front of the bus and only upon the receiving of a signal to cross from the bus driver.

Students being transported are under the authority of the bus driver. The bus driver is required to report rule violations. Continued disorderly conduct or refusal to submit to the authority of the bus driver is sufficient cause for a student to be refused transportation on school buses. A pupil may be suspended from bus transportation upon the principal’s receipt of the pupil’s third Bus Conduct Report, any subsequent Bus Conduct Reports may result in the loss of bus privileges.

BUS CONDUCT REPORTS and recommendations made with respect to students for the last day of the school year will be implemented in the following school year. Unfulfilled disciplinary assignments will be carried forward and continued in September of the following school year.

ALTERNATE BUSES: On occasion and with prior approval of the transportation company and the principal, a bus student may be eligible to ride an alternate bus.
1. No bus will be re-routed to provide transportation for any individual or group without directions from the transportation office.
2. Buses will only stop to discharge students at regularly scheduled stops. No additional stops will be scheduled without directions from the Transportation Office.
3. The principal should receive a written request from the parent for any alternative transportation. If there is adequate room on the bus, and items #1 and #2 above are observed, the Transportation Director may grant this request.

Field Trips
Throughout the school year, teachers organize field trips to various educational sites. Teachers organize their field trips in order to enhance the further study of a particular unit. Field trip notices will be sent home to advise parents of field trips and the amount of money that may be needed for transportation and admission. Parents must sign notification forms for trips outside the Westfield area. When children are on field trips, they are expected to behave and follow the rules that have been set up in the classroom. A child who is disruptive or endangers the safety of other children will not be allowed to continue the field trip. The parent will be contacted to come and pick up the child. A child may be excluded from a field trip if, in the judgment of the principal, he/she has shown evidence and may present a potential safety problem. Parents who volunteer for field trips are required to complete a CORI application and receive a favorable rating.

Fundraiser & Donations
PTO fundraisers take place throughout the school year.

Health Information
A nurse is on staff to assist with medical problems. Listed below are statements about several health-related topics the nurse oversees.

Emergency Information
At the beginning of the school year, parents/guardians are requested to update their emergency information sheet for each of their children. It is important that these emergency information sheets be updated at all times. Please list all phone numbers, cell numbers, pages, etc. where a parent/guardian can be reached during the day. For emergency contact people listed on your student(s) sheet, please make sure these people know they are listed on your student(s) emergency information sheet. In case of an emergency, the emergency contact people need to be available to pick up your child at school. Please make sure that your child knows the emergency contact people. Parents/guardians are responsible for notifying the school office and/or the health office of any changes to the emergency contact information sheet.

Physicals
Physical exams are required for all new students and for all students entering grade 4.

Immunizations
In accordance with state law, the Westfield Public Schools requires that, prior to being admitted to school, each child must present a physician’s certificate that the child has been successfully immunized according to the Massachusetts Department of Public Health School Immunization Regulations which are established annually.
Medications
The school nurse shall supervise and provide for the safe administration and documentation of all medications dispensed in schools. All medications will be administered by a school nurse whenever possible. Parents/guardians of students requiring medication while at school must assume responsibility for informing appropriate school personnel of any change in their child’s health or medication requirements.

Vision and Hearing Screening
Each year the following assessments will be made at school:
- Weight and height measurement
- Vision and hearing screenings

Injuries/Sickness at School
If your child is injured at school, first aid will be administered. If a serious injury occurs the student will be transported to a hospital. The cost of the ambulance transportation is the responsibility of the parent/guardian. Every effort will be made to contact a parent/guardian immediately.

If a student is sick during the school day, the teacher will refer him to the health office. Once the student is in the health office, the nurse will take his/her temperature, etc. to determine whether or not the child needs to go home. The school nurse will then contact the parent/guardian or emergency contact person listed on the emergency information sheet.

Too Sick for School
Recommended guidelines as to when you should keep your child home from school:
- Fever: If your child has a fever of 100.4 degrees or greater, he/she should be kept home until fever free (without medication) for 24 hours. Liquids should be encouraged as tolerated.

- Diarrhea or vomiting: If your child has repeated episodes of either, he/she should be kept out of school until the illness passes (24 hours after last episode).

- Sore throat: Sever sore throat could be strep, even if fever is not present. Other symptoms of strep can be headache and stomach. If a throat culture is positive, your child may return to school 24 hours after antibiotic treatment begins.

If you have any questions regarding your child’s illness or return to school, please feel free to contact the nurse.

Head Lice
Head Lice are not indicative of poor hygiene. Head lice are not influenced by hair length or the frequency of shampooing or brushing. Head lice are not a health hazard because they are not responsible for the spread of any disease.

Out of State/Country Student Visitors
The regulation from the Department of Public Health, regarding students visiting schools in Massachusetts is as follows: Any student visiting from another state or country must show the school nurse proof of immunizations signed by a physician. The visiting student has to follow the same immunization requirements as Massachusetts's students. If the visiting student does not have the required immunizations, the student will not be allowed to stay.
504 Plan
Section 504 of the Rehabilitation Act of 1973 protects the rights of individuals with disabilities within the work and school setting. Section 504 requires regular education teachers to provide reasonable accommodations and ensures equal access to educational programs for students with disabilities. If you feel your child is eligible for a 504 plan, or you would like to make a 504 evaluation referral, please contact the school office.

Special Education
All students are entitled to a Free Appropriate Public Education (FAPE). In Massachusetts, students eligible for special education must demonstrate the presence of a disability that prevents the student from making effective progress in the general curriculum, and requires specially designed instruction or related services in order to progress. An initial evaluation to determine eligibility based on the above factors will be completed in order to determine any special needs. If you feel your child may be eligible for special education, please contact the school office.

Cafeteria-Breakfast/Lunch
Well-balanced breakfast and lunch meals are available to students. Menus for the month are published and a copy sent home with each student. Those who bring a lunch from home may purchase milk. Free and reduced rates are available for those who meet the criteria.
Breakfast may be purchased for $1.15
Lunch may be purchased for $2.20 or brought from home
Milk may be purchased for 50 cents

Free & Reduced Lunch Program
To ensure that every student, regardless of his/her family’s financial status, may be served a nutritious meal in the middle of the school day. The WPS participates in the National School Lunch program. Parents will be informed at the beginning of the school year, of the eligibility requirements for participation by their child. Please note: Should a family’s financial status change anytime throughout the school year that would qualify a student(s) to receive free/reduced lunch, a form may be obtained from the school office.

School Insurance
A reasonably priced accident insurance policy is available for all children. Information regarding the options may be obtained from the main office. You should remember that the school department’s only function in this matter is one of service. All matters relating to claims are the responsibility of the family and the insurance company.

Safety Drills: Evacuation/Fire, Bus Evacuation, Lockdowns, Shelter-in Place:
Several times during the school year, students will participate in fire drills. When the alarm bell rings, students are required to be silent and cooperate by following instructions from the teacher regarding the evacuation of the building. A lockdown drill is conducted twice a year, and teachers present information about the procedure in a developmentally appropriate manner.

Lost/Stolen Property
Children should not bring money or valuables to school. The Westfield Public Schools assumes no responsibility for any lost or stolen items. For easy identification of lost items, please put your child’s name inside all articles of outer clothing, lunch boxes, backpacks, boots, instruments, etc.
Lost and found items are sent to the office and placed in a box. Parents and students are encouraged to look through the lost and found items at any time. Jewelry, eyeglasses, electronic devices, instruments, etc. are usually maintained in the school office. All unclaimed items will be donated on a monthly basis to a charity of the school’s choice.

School Committee Meetings
Meetings are generally held on the first and third Monday of each month. Meetings are also listed, along with other town meetings, on the City of Westfield Website. Most meetings are broadcast on Channel 15.
SECTION II - DISTRICT POLICIES
This section of the policy manual is composed of district-wide policies. Should any provisions of Section I be in conflict with Section II, district policy prevails. **Administering Medicines to Students**

**Due Process for Suspensions**

**Notice of Proposed Suspension**
Except in the case of an emergency removal or disciplinary offense defined under MGL C 71, Section 37H or 37 ½ H or an in-school suspension as defined by 603 CMR 53.02 (6), the school shall provide the student and the parent/guardian with written and oral notice of the proposed out-of-school suspension, an opportunity to be heard at a hearing, and the opportunity to participate at the hearing. Notice shall set forth in plain language:

- the disciplinary offense;
- the basis for the charge;
- the potential consequences, including the potential length of the student’s suspension;
- the opportunity for the student to have a hearing with the Principal concerning the proposed suspension, including the opportunity to dispute the charges and to present the student’s explanation of the alleged incident, and for the parent/guardian to attend the hearing;
- the date, time, and location of the hearing;
- the right of the student and student’s parent/guardian to interpreter services at the hearing if needed to participate;

The Principal shall make reasonable efforts to notify the parent/guardian orally of the opportunity to attend the hearing. In order to conduct a hearing without the parent/guardian present, the Principal must be able to document reasonable efforts to include the parent/guardian. Reasonable effort is presumed if the Principal sent written notice and documented at least two attempts to contact the parent/guardian in the manner specified by the parent/guardian for emergency situations.

All written communications regarding notice of proposed suspension shall be either by hand delivery or delivered by first-class mail, certified mail, or email to address provided by the parent/guardian for school communications (or other method agreed to by the Principal and parent/guardian) in English, and in the primary language in the home if other than English, or other means of communication where appropriate.

**Short-Term Suspensions: Hearing and Principal Determination**
A short-term suspension is the removal of the student from the school premises and regular classroom activities for ten (10) consecutive days or less. Out-of-school short-term suspensions which do not cumulatively over the course of the school year exceed ten (10) days of suspension shall be conducted in accordance with this section.

**Principal Hearing.** The purpose of the hearing with the Principal is to hear and consider information regarding the alleged incident for which the student may be suspended, provide the student an opportunity to dispute the charges and explain the circumstances surrounding the alleged incident, determine if the student has committed the disciplinary offense, the basis for the charge, and any other pertinent
information. The student shall have an opportunity to present information, including mitigating facts. A parent/guardian present at the hearing shall have the opportunity to discuss the student’s conduct and offer information, including mitigating circumstances.

Based on the available information, including mitigating circumstances, the Principal will make a determination whether the student committed the disciplinary offense, and if so, the consequence. The Principal will provide notification in writing of his/her determination in the form of an update to the student and parent/guardian, and provide reasons for the determination. If the student is suspended, the Principal shall inform the parent/guardian of the type and duration of the suspension, and shall provide an opportunity for the student to make up assignments and other school work as needed to make academic progress during the period of removal.

If the student is in grades PreK through 3, the Principal shall send his/her determination to the Superintendent and explain the reasons prior to imposing an out-of-school suspension, before the short-term suspension takes effect.

All written communications regarding the hearing and Principal determination shall be either hand delivery or delivered by first-class mail, certified mail, or email to the address provided by the parent/guardian for school communications (or other method agreed to by Principal and parent/guardian) in English, and in the primary language in the home if other than English, or other means of communication where appropriate.

**Long-Term Suspensions: Hearing and Principal Determination**

A long-term suspension is the removal of a student from the school premises and regular classroom activities for more than ten (10) consecutive school days, or for more than ten (10) school days cumulatively for multiple disciplinary offenses in any school year. The purpose of the hearing with the Principal is to hear and consider information regarding the alleged incident for which the student may be suspended, provide the student an opportunity to dispute the charges and explain the circumstances surrounding the alleged incident, determine if the student has committed the disciplinary offense, the basis for the charge, and any other pertinent information. The student shall have an opportunity to present information, including mitigating facts, that the Principal will consider in determining whether alternatives to suspension such as loss of privileges, detention, an apology, a student contract, restitution, and/or probation are appropriate.

Additionally, the student shall have the following additional rights:

1. In advance of the hearing, the opportunity to review the student’s record and the documents upon which the Principal may rely in making a determination to suspend the student or not;
2. The right to be represented by counsel or a lay person of the student’s choice, at the student’s and/or parent’s/guardian’s expense;
3. The right to produce witnesses on his or her behalf and to present the student’s explanation of the alleged incident, but the student may not be compelled to do so; and
4. The right to cross-examine witnesses presented by the school district;
5. The right to request that the hearing be recorded by the Principal. All participants shall be informed that the hearing is being recorded by audio. A copy of the audio recording will be provided to the student or parent/guardian upon request.

Based on evidence submitted at the hearing the Principal shall make a determination as to whether the student committed the disciplinary offense, and, if so, after considering mitigating circumstances and alternatives to suspension (the use of evidence-based strategies and programs, such as mediation, conflict resolution, restorative justice, and positive interventions and supports) what remedy or consequence will be imposed. If the Principal decides to impose a long-term suspension, the written determination shall:

1. Identify the disciplinary offense, the date on which the hearing took place, and the participants at the hearing;
2. Set out key facts and conclusions reached by the Principal;
3. Identify the length and effective date of the suspension, as well as a date of return to school;
4. Include notice of the student’s opportunity to receive a specific list of education services to make academic progress during removal, and the contact information of a school member who can provide more detailed information;
5. Inform the student of the right to appeal the Principal’s decision to the Superintendent or his/her designee (only if a long-term suspension has been imposed) within five (5) calendar days, which may be extended by parent/guardian request in writing an additional seven (7) calendar days.

The long-term suspension will remain in effect unless and until the Superintendent decides to reverse the Principal’s determination on appeal.

If the student is in grades PreK through 3, the Principal shall send his/her determination to the Superintendent and explain the reasons prior to imposing an out-of-school suspension, before the short-term suspension takes effect.

All written communications regarding the hearing and Principal determination shall be either hand delivery or delivered by first-class mail, certified mail, or email to the address provided by the parent/guardian for school communications (or other method agreed to by Principal and parent/guardian) in English, and in the primary language in the home if other than English, or other means of communication where appropriate.

**Appeal of Long-Term Suspension**
A student who is placed on a long-term suspension shall have the right to appeal the Principal’s decision to the Superintendent if properly and timely filed. A good faith effort shall be made to include the parent/guardian at the hearing. The appeal shall be held within three (3) school days of the appeal, unless the student or parent/guardian requests an extension of up to seven (7) additional calendar days, which the Superintendent shall grant.

The student and the parent/guardian shall have the same rights afforded at the long-term suspension principal hearing. Within five (5) calendar days of the hearing the Superintendent shall issue his/her written decision which meets the criteria required of the Principal’s determination. If the Superintendent determines the student committed the disciplinary offense, the Superintendent may impose the same or a lesser consequence than that of the Principal. The Superintendent’s decision shall be final.

**Emergency Removal**
A student may be temporarily removed prior to notice and hearing when a student is charged with a disciplinary offense and the continued presence of the student poses a danger to persons or property, or materially and substantially disrupts the order of the school and, in the Principal’s judgment, there is not alternative available to alleviate the danger or disruption. The temporary removal shall not exceed two (2) school days, following the day of the emergency removal.

During the emergency removal the Principal shall make immediate and reasonable efforts to orally notify the student and student’s parent/guardian of the emergency removal and the reason for the emergency removal. The Principal shall also provide the due process requirements of written noticed for suspensions and provide for a hearing which meets the due process requirements of a long-term suspension within the two (2) school day time period, unless an extension of time for the hearing is otherwise agreed to by the Principal, student, and parent/guardian.

A decision shall be rendered orally on the same day as the hearing, and in writing, no later than the following school day. The decision shall meet all of the due process requirements of a Principal’s determination in a long-term suspension.
In-School Suspension under CMR 53:02(6) and 603 CMR 53.10

In-school suspension is defined as the removal of a student from regular classroom activities, but not the school premises, for not more than ten (10) consecutive school days, or no more than ten (10) school days cumulatively for multiple infractions over the course of the school year.

A Principal may impose an in-school suspension as defined above according to the following procedures:

The Principal shall inform the student of the disciplinary offense charged and the basis for the charge, and provide the student an opportunity to dispute the charges and explain the circumstances surrounding the alleged incident. If the Principal determines that the student committed the disciplinary offense, the Principal shall inform the student of the length of the student’s in-school suspension, which shall not exceed 10 (ten) days, cumulatively or consecutively, in a school year.

On the same day as the in-school suspension decision, the Principal shall make reasonable efforts to notify the parent orally of the disciplinary offense, the reasons for concluding that the student committed the infraction, and the length of the in-school suspension. The Principal shall also invite the parent to a meeting to discuss the student’s academic performance and behavior, strategies for student engagement, and possible responses to the behavior. Such meeting shall be scheduled on the day of the suspension if possible, and if not, as soon thereafter as possible. If the Principal is unable to reach the parent after making and documenting at least two (2) attempts to do so, such attempts shall constitute reasonable efforts for purposes of orally informing the parent of the in-school suspension.

The Principal shall send written notice to the student and parent about the in-school suspension, including the reason and the length of the in-school suspension, and inviting the parent to a meeting with the Principal for the purpose set forth above, if such meeting has not already occurred. The Principal shall deliver such notice on the day of the suspension by hand-delivery, certified mail, first-class mail, email to an address provided by the parent for school communications, or by other method of delivery agreed to by the Principal and parent.

Suspension or Expulsion for Disciplinary Offenses under MGL 71 section 37H and 37H ½

1. The due process procedures above do not apply to a) possession of a dangerous weapon; b) possession of a controlled substance; c) an assault on a member of the educational staff; or d) a felony charge or felony delinquency complaint or conviction, or adjudication or admission of guilt with respect to such felony if the Principal determines that the student’s continued presence in school would have a substantial detrimental effect on the general welfare of the school, as provided in MGL c. 71 section 37H or 37H ½.

2. The Principal will inform the student of the specific charges in writing, informing the student of the right to be represented by counsel (at the student’s expense) and the right to provide evidence and question witnesses, on the proposed hearing date.

3. The student may appeal the Principal’s expulsion determination to the Superintendent of Schools within ten (10) days of notification of the expulsion.

4. The Superintendent may uphold, reduce, or reverse the disciplinary action after the appeal hearing. Note that a failure to make an appeal to the Superintendent within the ten (10) day period will exhaust any further right of appeal.

5. All students who have been suspended or expelled who remain residents of the District shall have an opportunity to make academic progress during their period of suspension, expulsion, or removal from regular classroom activities.

6. If the Superintendent upholds the expulsion decision, if the student moves to another district during the period of suspension or expulsion, the new district of residence shall either admit the student to its schools or provide educational services to the student under an education service plan.

**Emergency Evacuation Procedures**
The Westfield Fire Department requires a standard evacuation procedure for all Westfield Public Schools. This procedure allows students to learn the evacuation procedure when they first enter the school and follow the same instructions until they leave the Westfield Public Schools. Each room will have a sign at the primary exit door to be used during an emergency. The sign will instruct students to leave the room and follow the arrows to the nearest exit. The standard procedure is as follows: IN CASE OF EMERGENCY: EXIT ROOM THROUGH THIS DOOR AND FOLLOW RED ARROWS TO NEAREST EXIT. STAY TOGETHER AND WITH YOUR TEACHER. IF EXIT IS BLOCKED REVERSE DIRECTION AND PROCEED TO EXIT IN OPPOSITE DIRECTION. STAY IN SAFE LOCATION OUTSIDE THE BUILDING AND AWAIT FURTHER INSTRUCTIONS.

**Visitors and Parking**
VISITORS: Our policy is to accept visitors who have legitimate business at school. Visitors and guests must register in the school office immediately upon entering the building. All visitors and guests must display, at all times, an appropriate identification badge assigned by the school office. Upon completion of their business all visitors and guests must sign out in the school office, return their badge and promptly leave the building.

PARKING REGULATIONS: Parents/guardians, students, and visitors should familiarize themselves with the parking regulations of the school and park in a legal parking space only. Violators will be subject to fines or towing of their vehicles. This applies to morning drop-off and after school pick-up as well as evening programs, workshops and conferences.

**Summer Reading**
The Westfield Public Schools remain committed to the improvement of reading, a primary component of the learning process. The goals of summer reading are to reinforce the habit of reading for pleasure, enrichment and gathering information. Research indicates that the more students read or listen to books, the better they will read. Research also indicates that students who do not read regularly throughout the
summer lose reading skills that must be rebuilt once school begins again. Our expectation is that every student will read over the summer. Please refer to the Westfield Public School district webpage at www.schoolsofwestfield.org under Students for detailed information about summer reading.

Teacher Mailboxes
Teacher mailboxes are private and under no circumstances are students or visitors to REMOVE OR PUT ANYTHING in a teacher’s mailbox.

Cancellation of School
There will be days when the Westfield Public Schools will be closed or have a delayed opening due to inclement weather, hazardous traveling conditions and/or other emergencies. We have a telephone notification system that will place calls to parents notifying them of closings, delays, or an early release. In addition, such closings will be broadcast: WHYN, WAQY (FM-102), WRNX (FM-100.9), KIX (FM-97.9), Channel 40, Channel 22, CBS 3, local Channel 15 or you may call the School Information Line 572-6417. During periods of potential and actual storms the school administration is in contact with all relevant public safety and municipal agencies. The decision to close or not close school is made as early as possible to cancel all school transportation and lunch programs and to notify the media, traffic, and school personnel. On occasion, it may be wiser to have a two-hour delayed opening of school instead of closing for the full day. There may also be weather conditions that would necessitate the closing of school during normal school hours. Every child should know what to do and where to go in case of an early dismissal. If there is school during bad weather, the final decision concerning school attendance must rest with the individual parent.
